

Safeguarding Statement

At Education My Life Matters (EMLM) we understand that we have a duty to promote the welfare and wellbeing of every one of our learners both on and off site. This is an important part of the school's role in safeguarding its learners.

We are committed to providing a safe and secure environment for our learners, staff and visitors. We have created a climate where learners and adults feel confident about sharing concerns regarding the safety and wellbeing of themselves and others.

All members of staff strive to provide a safe, caring, positive and stimulating environment that encourages the social, physical and moral development of all our learners.

Our Safeguarding Officers understand the importance of working with multidisciplinary agencies to ensure adequate arrangements are made to identify, assess, prevent and support any learner who suffers harm.

All members of staff at Education My Life Matters, receive regular Safeguarding and Child Protection training and are aware of procedures relating to reporting any safeguarding concerns.

Our Designated Safeguarding Leads are:

Paul Moody (Consultant Designated Safeguarding Lead)

Tameka Prince (Deputy Safeguarding Lead)

Denzil Bell (Safeguarding Governor)
